Wensleydale Agricultural Show - Saturday 29th August 2026

Bookings are now open. Prices this year have increased in line with rising costs but, having taken feedback from traders last year who had difficulties taking payments due to the poor phone signal, I am pleased to let you know that your booking will now include the use of a secure WiFi connection.

Please choose your space carefully. A 10m square space will not necessarily give you public access on 2 sides. Please indicate on your form if you need to park a vehicle on your stand, if so it does need to fit entirely into the amount of space you have booked. There is ample free parking away from the stands to park vehicles not required during the show. Movement of vehicles will be strictly controlled and only vehicles with the correct passes will be allowed onto the show field on show day to set up. If you are not setting up the day before and will require more than one vehicle pass please note this on your application form. Additional vehicle passes will not be issued once packs have been posted out.

If you have requirements for a non-standard size pitch please contact me before booking to discuss.

There is **strictly no camping** on the show field, alternative arrangements must be made. Security will be on site from Friday 28th Aug until 12pm on Sunday 30th Aug.

We cannot guarantee location of pitches but if you have any special requirements please specify when booking. No pitches will be allocated without completion of the required paperwork, this includes stands that have been on site in previous years. Chocks may be required as the field is not level in places.

Please return your completed booking form, copy of your public liability insurance certificate and a risk assessment form, electronically if possible. Confirmation of your booking and an invoice will be emailed to you. If you require an invoice made out differently to those details provided on the booking form please advise at the time of booking.

Kind regards

Charlotte Norton
Trade Stand Secretary
