Wensleydale Agricultural Show - Saturday 29th August 2026

Bookings are now open. Space in the Craft Marquee is always sold out so early booking is recommended.

Having taken feedback from some traders last year, who had difficulties taking payments due to the poor phone signal, I am pleased to let you know that your booking will now include the use of a secure WiFi connection.

We cannot guarantee location of pitches but if you have any special requirements, such as being placed on the perimeter of the marquee, or if you are bringing a generator, please specify this upon booking. No pitches will be allocated without completion of the required paperwork. No additional tables or table extensions will be permitted to the sides or to the front of your allocated space.

There is **strictly no camping** on the show field, alternative arrangements must be made. Security will be present on site from Friday 28th until 12pm on Sun 30th August.

Vehicles **must not be left parked behind the marquee**, and must be removed to the public parking areas after unloading. Movement of vehicles will be strictly controlled and only vehicles with the correct passes will be allowed onto the show field on show day to set up. If you are not setting up the day before and will require more than one vehicle pass please note this on your application form. Additional vehicle passes will not be issued once packs have been posted out.

We would like all craft exhibitors to be able to demonstrate that they are, 'a genuine craft business'. The show reserves the right to decline applications from exhibitors that do not appear to meet this requirement. Please ensure you provide sufficient detail on your form about what you are selling.

Please return your completed form, risk assessment and a copy of your insurance certificate electronically if possible. Confirmation of your booking and an invoice will be emailed to you. Please do not send payment prior to receiving your invoice.

Kind regards
