Dear Retailer

### **Wensleydale Agricultural Show - Saturday 27th August 2022**

Please find enclosed an application form for booking space within the 'Food From Farming' marquee and various advertising opportunities at the show. Thank you for your support of our show!

Priority booking will be given to traders of the 2019 and 2021 shows until 1st June 2022 where after trade stands will be allocated on a first come first served basis. No bookings will be accepted after the closing date of 8th August 2022. As previously, the Committee would still like ALL food retailers to be within the 'Food From Farming' marquee, with the exception of catering concession units, ice cream vans and sweet stalls.

The 'Food From Farming' marquee is for those food retailers who sell food items that are packaged and not for consumption on the day. No hot food will be sold within the marquee, (but giving away hot food samples is allowable) and no cooking of food is to be undertaken within the marquee.

On show day you need to be set up and ready for 9.00am and must not dismantle before 5pm. All litter must be removed before leaving the marquee on the day of the show. The plan of the food marquee needs to be strictly adhered to on all accounts, unless permission to make changes has been granted from the food marquee steward.

Small generators are allowable for use within the 'Food From Farming' marquee. These can only be positioned outside of the marquee (therefore you must request a space around the perimeter of the marquee on the booking form) these must be supplied by yourself, and must be certified to the relevant standard.

Please return your completed booking form, your Risk Assessment form and payment to the above address. I look forward to seeing you at this year's show.

Best wishes

*Helen Barden*
